Dear Parent/Carer

## School Uniform

From September 2020, we have taken the decision to introduce a new school uniform for Year 7 pupils. This will be a more formal uniform including a blazer, shirt and tie. The uniform remains at the design stage at this moment and will be available in the New Year. This change does not affect our current pupils in school, however if they would prefer to wear the new uniform then they will be able to do so.

As always, the uniform will be available at Shah's Uniform in Scunthorpe. The existing uniform will remain available to buy for years 8-11.

Thank you in advance for your support.

Yours sincerely,

K Rowlands  
Headteacher
