

Dear Parent/Guardian

May I ask for your help in the continuing development of Winterton Community Academy?

The recent Ofsted inspection gave two of the most significant groups of stakeholders, the parents/guardians and the pupils, the opportunity to share their views on the provision at the school. This proved to be very helpful in helping to formulate the overall judgement by the inspectors. In addition, it has given us an indication of the views of some of the stakeholders.

However, it is important to us that in our quest to be the best we can be for your son/daughter, that we have a greater number of completed surveys to be able to have a more accurate representation of your views.

We need you to tell us how well you think we are doing and how we can improve the things that are important to you.

Therefore, it would be greatly appreciated if you can spare 10 minutes to complete a questionnaire by going to <https://survey.g1-assessment.co.uk/s/S5SWU/> and logging on using the password provided below.

Your password is: WCA12356parent

The password is case sensitive.

By completing the questionnaire, you will be telling us how you think we should be spending our time and resources, to make our school the best that it can be for your son/daughter.

Each completed questionnaire is vital in finding out what parents/guardians think. Your answers will be treated in the strictest confidence and will make a difference to how we run the school and plan for the future.

With thanks in anticipation of your help.

Yours faithfully

Mr Featherstone
(Deputy Headteacher)
