Dear Parent / Carer,

As a precautionary step, pending the growing global crisis around the risk of coronavirus, we have taken the decision to cancel all non-essential trips and visits.

Unfortunately, in this instance, we have decided to cancel our WE day trip to London for next week. All students have been informed.

I appreciate that this is disappointing for all staff and students concerned. However, as school leaders we must take the appropriate steps to assess all events and safeguard the students in our care.

There will be no financial detriment to any students/parents due to this decision. We will communicate to you next week about how we will proceed further.

Yours sincerely,
