Dear Parents and Carers

I write with regard to the current situation with coronavirus (COVID-19) and the actions we are taking to prevent it from spreading.

As advised by Public Health England the instructions are that anyone who is presenting as having a cough, or a fever, or is living with anyone who has either of these symptoms needs to stay off school.

The situation is being taken very seriously and the safety of our children and staff remain a top priority. It is important that your sons/daughters are acting responsibly and not taking advantage of the circumstances by presenting themselves as having a cough or a temperature when in reality, they do not. If they are sent home, we will not allow them to return to school for 14 days.

Thank you for your understanding and co-operation. Please keep up to date via our school website as that is how we will communicate any further changes to you.

Yours sincerely
