13<sup>th</sup> March 2020

Dear Parents and Carers,

I am writing to update you of the current position in relation to the coronavirus.

The school remains open and operational and we continue to act in accordance with the latest government advice and guidance.

With this in mind, it is essential that you take individual responsibility to monitor your own children for symptoms and if you have any concerns whatsoever, please keep them off school and take further advice by calling NHS111.

Equally, if your child has been in contact with anyone who is showing symptoms / monitoring then please inform us and again if in doubt, follow the same advice to remain off school and take further advice.

As reported, coronavirus is highly contagious and schools are particularly vulnerable to the risks of spreading infection. It is important that you follow this advice. If we feel that your child is showing any symptoms in school then we will ask that they are sent home.

Thank you for your continued support.

Kind regards,

A handwritten signature in black ink, appearing to be 'K Rowlands', written over a horizontal line.

K Rowlands  
Headteacher
