Dear Parent/Guardians,

Due to the closure of schools on a national level we are wanting to ensure that our students have the provisions to independently study at home. Therefore, work has been set by staff for all subject areas at both Key Stage 3 and Key Stage 4. The work can be accessed through a number of different platforms.

1. The school website and the student shared area
2. SAM learning
3. Maths Watch
4. Seneca Learning
5. Music First

By using the resources provided students will be able to embed prior learning and also extend their learning within the different subject areas.

Alongside this, if students are wanting support and feedback from staff they are able to contact them via email during this time 8.50 a.m. – 3.30 p.m. Email addresses can be found through the outlook address book.

If however you do not have access to the internet at home and you are wanting hard copies of resources I would ask that you email dalowsky.a@wintertoncommunityacademy.co.uk by 1.00 p.m. tomorrow in order for packs to be collated.

Yours sincerely,

A. Dalowsky (Mrs)

Assistant Headteacher
