17th March 2020

Dear Parents / Carers,

Independent Learning

In light of the current context and within an increasing number of students self-isolating, we recognise the need to have access to some home learning. At this moment in time this will be provided through our Sam learning platform. All students have previously been issued a password and log in details, but if you don't have any details please log-in to Sam Learning.

To access the service at www.SAMLearning.com, Learners need three details:

Centre ID:	DN15WC
Username:	Date of birth followed by two initials; first name then last name. Example: 010885DJ is the User ID for David Jones born on 1 st August 1985
Password:	Initially the same as User ID, Learners were encouraged to change this to something difficult to guess or work out.

If you are experiencing any problems please email Mr Featherstone at:

featherstone.r@wintertoncommunityacademy.co.uk

Whilst there will not necessarily be set tasks for every subject, Sam Learning does have over 10,000 hours of independent study materials and we ask that parents support their child in selecting appropriate work to do that is relevant to what they are studying.

Thank you for your continued support and understanding.

Kind regards,

K Rowlands
Headteacher
