Dear Parents / Carers,

I am writing to update you on our latest position in relation to re-opening the school for our Year 10 pupils.

Thank you for those who have been able to respond to let us know of your intentions, it is a big help to support us in our planning. If you have not yet advised us as to whether your son / daughter will be returning to school, please do so at your earliest convenience.

The latest government guidance which has been issued this week has advised schools that Year 10 provision should begin from the week commencing June 15th. We will now therefore continue to plan in accordance with this and will provide you with further information over the next two weeks to confirm the schedule.

Please do not send your child to school next week as we will not be operational. Key-worker provision will continue as normal.

We will also publish a list of 'Frequently Asked Questions' on our website ahead of re-opening to help keep you informed and hopefully address any concerns that you may have.

In the meantime, please maintain your home learning routines and we will continue to set work online for all pupils.

Kind regards,

Mr Rowlands
Headteacher
