14th May 2020

Dear Parents / Carers

I want to take this opportunity first and foremost to wish you, your families and close friends all the very best for the coming weeks and to stay safe and well.

Student work

In the last two weeks we have seen an increase in SAM Learning tasks being completed, Pixl Apps being accessed and Maths Watch being used. Together with this, the online files that students are accessing are seeing more downloads. This is a tremendous effort, well done.

Moving Forward

We understand that all students work at different rates and access work on a range of platforms when doing so. Therefore, we will continue to upload lessons in each subject area, set SAM learning / Maths Watch tasks on a weekly basis. We are also introducing a timetable of interactive online teacher led session. This will enable students to interact with the teacher as they teach a 'live' session, enabling students to complete tasks, receive feedback and work under the guidance of a subject teacher.

Timetable - Week Commencing Monday 18th May

The initial trial week will take place starting Monday 18th May with a range of sessions being planned and delivered. The sessions will be accessed through the zoom link and the password will be sent out to the students school email address by the named staff member at least 24 hours prior to the session starting. If permission has not been received by the school, unfortunately students will not be able to access this resource.

Timetable

	Monday 18th May	Tuesday 19th May	Wednesday 20th May	Thursday 21st May	Friday 22nd May
10.00 - 11.00	Y7 Science - EF	Y8 Science - JLN	Y9 Science - NS	Y10 Science - CD Sep / Set 1
