19th October 2020

Dear Parents / Guardians,

Please be advised that we have today received confirmation of a couple of confirmed cases of COVID-19 within our immediate school community.

In both instances, the person who has tested positive had been isolated prior to developing any symptoms and therefore the direct advice of the Department for Education is that we do not need to do anything further at this stage in terms of advising other people to self-isolate.

It is essential that all members of our community continue to be vigilant and to follow the guidance of Public Health England. If any pupil is showing any symptoms, please keep them off school and in isolation as recommended. Likewise, if a pupil has been in close contact with someone who is showing symptoms then they should isolate until there is a confirmed test result.

I would like to thank you for your support and co-operation in helping to keep the school environment as safe as possible.

Kind regards,

Mr K. Rowlands
Headteacher
