19th November 2021

Dear parent / guardian

It has been brought to our attention that there are a small number of Tik Tok accounts that have been created using the school badge and name.

These accounts have been reported to Tik Tok as it is not appropriate that they are associated with the school.

All students in year 7 and 8 have been spoken to by their Head of year in tutorial this morning with the advice that if they have created one of the accounts, they are responsible for deleting it over the weekend. They have had the word 'fraud' shared with them and a clear explanation of why these accounts are not appropriate.

If, on Monday morning these accounts still exist, we will probe further into the origins and creators. We are hoping in the meantime, that with your support, any existing accounts are deleted over the weekend.

Please support the school by having the conversation with your son / daughter and checking their phone if necessary.

We appreciate this is a national craze at the moment and that thousands of schools have been subject to these circumstances. We are keen to be proactive in responding to the issue and ensuring that all children understand why it is inappropriate.

Thank you for your continued support and have a lovely weekend.

Mrs Daveran
