Headteacher – Mr K Rowlands

January 14th 2022

Dear Parents and carers,

I am writing to inform you of an exciting development that will start at The Academy on Monday 17th January 2022.

We applied for an SEN Capital bid and were successful in securing £250,000 to extend and develop our building to help support the needs of our students.

Building works are planned to extend our pastoral base, 'The Junction', and connect it with our nurture provision, 'The Hub'.

The new building work will include communal spaces, a break-out room and intervention rooms. Our current nurture base will be remodelled to include a living area, kitchen, utility room and sensory room.

We are anticipating minimal disruption to the rest of the school, students and staff during the construction, which is expected to be completed by Easter 2022 (at the latest).

I look forward to sharing more details with you over the coming weeks and months as the development takes shape.

Kind regards,

Mrs Daveran

Assistant Head Teacher
