Convictions/disqualifications

Winterton Community Academy is committed to making appointments on merit and will focus on a person's abilities, skills, experience and qualifications. When considering an applicant with a criminal record, the academy will consider the relevance of the conviction(s) to the job for which the person is applying. A criminal record will not necessarily be a bar to obtaining a position.

Under the Rehabilitation of Offenders Act 1974, a conviction will become 'spent' (i.e. treated as if it had never occurred) where the individual has not, after a period of time, committed another serious offence. Rehabilitation periods vary, depending on the type and length of conviction originally incurred. For example:

Type of conviction

imprisonment for over six months but less than 30 months
imprisonment over 30 months
fine or sentence not covered by the Act
conditional discharge
probation

Rehabilitation period

10 years
never 'spent'
five years
one year
five years

You will be informed if the post is exempt from the Rehabilitation of Offenders Act. If the post is exempt, you are not entitled to withhold information about convictions that are regarded 'spent' under the Act. If you are working with vulnerable service users, the post will be exempt from Section 4(2) of the Act. You are therefore required to give details of all convictions and cautions including 'spent' convictions. Any information that you may give will be strictly confidential and will be considered only in relation to exempted jobs for which you have applied. If you are not shortlisted the information will be destroyed.

The information obtained will be kept strictly confidential in accordance with the code of practice issued by the DBS.
