Headteacher – Mr K Rowlands

Ref: Options/OptionsPresentation/tp

7th February 2022

Dear Parent/Guardian,

First of all, it was lovely to see so many of you at the Year 9 Parents' Evening last week. For many of you, it may have been the first time that you have had the opportunity to attend such an event at the academy due to the context of the last two years.

We are now approaching the time of the year when we focus on the Key Stage 4 curriculum planning for all the pupils in Year 9, and already questions have been asked about the "Options". We are currently finalising what that will look like and also the information to help support the discussions.

However, I can confirm that during the week commencing 7th March 2022 I will be presenting the curriculum and structure of the process to the year group in an assembly. In addition, on **Tuesday 8th March 2022 at 6:00 p.m.**, I will present the information online to all parents/carers.

A link will be sent to all parents/carers via a text and email prior to the event. The presentation will last for approximately half an hour.

It is important to note that this is really just the beginning of the process and that there will be opportunities for further discussions and guidance, including a careers fair. This will continue through to June/July as the final decisions feed into the production of the 2022-23 academy timetable and the pupils receive confirmation of their curriculum.

I hope that you are able to join the presentation at what is an exciting time in your child's education.

Yours sincerely,

Mr Featherstone
Deputy Headteacher
