3<sup>rd</sup> March 2022

Dear Parent/Carer,

I am writing to invite you to an online presentation regarding the key information and structure of the proposed curriculum for your child when they begin Year 10, and how they will go about expressing an interest in the subjects that they may wish to study alongside the core subjects. This will take place on **Tuesday 8<sup>th</sup> March 2021 at 6:00pm**. The details can be found below.

The whole of Year 9 will have the presentation in an assembly on Wednesday 9<sup>th</sup> March, however, it is equally important that you are as well informed as possible in order to support your child.

The presentation will include the following:

- The structure of the timetable at Key Stage Four.
- What considerations we have to apply in our decision making.
- Reference to the digital booklet containing information about all of the available subjects.
- How the subject preferences will be recorded using the online portal.
- Your role in this as the parent/carer.
- Key deadlines.
- What happens next in order to arrive at the final timetable.

The intention is for the presentation to last for approximately half an hour. I am sure you will appreciate that it will be difficult to answer every question that may arise, but hopefully the presentation will answer many of them. If you wish to have an individual conversation, then this can be arranged at school, either with myself or the relevant member of staff.

In order to join the online meeting on **Zoom**, use the details below:

Topic: Year 9 KS4 2022-24 Curriculum Presentation

Time: Mar 8, 2022 06:00 PM London

Join Zoom Meeting
