Headteacher – Mr K Rowlands

July 14th 2022

Dear Parents and carers,

Due to continued high levels of staff absence as a result of COVID, we have had to make an adjustment to the calendared activities for tomorrow.

The planned day of sport for years 7-9 is still going ahead. However, the Year 10 well-being day is postponed until next Thursday 21st July.

Instead, the Year 10 cohort will be participating in the day of sport alongside the rest of the school. There has been a significant effort from staff and students into the planning of the well-being day and we are keen to ensure that we can facilitate it in the high-quality way that it deserves.

As previously communicated, tomorrow's 'day of sport' is a non-uniform sporting clothes day. Students should wear appropriate clothes for a day of sporting activities. If your child is able to wear their team colours that is fab. But please do not worry if they do not have them, so long as they are in sporting clothes.

The current weather forecast for tomorrow is approximately 21 degrees C and cloudy - but please do still ensure your child wears suncream and brings a hat and a water bottle for the day. We have a number of water stations for students to regularly fill water bottles to ensure they remain hydrated.

In addition, we have an ice cream van scheduled to be on the school site for the afternoon - so please do send your child with some money if you would like them to access the van.

All rewards trip that are scheduled for next week will be taking place as planned.

Monday 18th July - Year 10 Lincoln Water Park

Tuesday 19th July - Year 9 Lincoln Water Park

Wednesday 20th July - Year 8 - Doncaster Dome

Separate instructions for these trips will have been shared with you.

In light of the continued warm weather predictions for next week, all students are invited to continue to wear their P.E. kits to school for the duration of the week.

We are endeavouring to do all we can to ensure a positive and enjoyable end to the school year and appreciate your patience and ongoing support as we respond to so ever-changing situation.

Mrs Daveran

Assistant Head Teacher
