23rd January 2023

Dear Parent/Guardian,

The science department at Winterton Community Academy are contacting you to make you aware of the revision resources available for your child. This will support their in-school learning with home-based revision to prepare for their mocks and indeed their GCSE examinations that are just a few months away.

If your child has not started their revision, we request your support to encourage your child to start to revise regularly from now. Science has a broad knowledge that they need to recall to succeed so it is recommended that they regularly revise Biology, Chemistry and Physics to be familiar with the vocabulary and knowledge to enhance their grade.

We have set up a sharing area on teams which they can access via their email account called "Science success". This has learning checklists, revision tips, Power Points, key questions with answers so that you can quiz your child to ensure they have the necessary foundation to access all exam questions. The department frequently adds useful resources to this area.

We have also included a list of recommended websites, phone apps and YouTube videos to give a wide range of activities to suit all learners and hope that you find these useful. We can also provide revision guides at a discounted cost.

If you have any further questions please email your child's Science teachers and we will be very happy to support you.

Yours sincerely,

Mrs N Shaw  
Subject Leader of Science

## **Recommended Revision Resources**

### **Year 11 – Revision site links**

[Grade Gorilla | Science Revision Questions](#) (self-marking multiple choice exam questions)

[Free Homework & Revision for A Level, GCSE, KS3 & KS2 \(senecalearning.com\)](#) (read, test yourself)

[GCSE - BBC Bitesize](#) (notes, videos, quizzes)

[GCSE Learning and Revision | GCSEPod](#) (listen, learn then quiz)

<https://sciencedoctor.school.blog/>

[Homepage \(samlearning.com\)](#)

[The Biology Corner](#) (good worksheets)

[Cognito - Learn GCSE Maths, Biology, Physics and Chemistry - Completely Free \(cognitoedu.org\)](#)

[GCSE Combined Science Revision | New 9-1 Course | MME \(mmerevise.co.uk\)](#) (lots of past paper questions included)

[AQA | GCSE | Combined Science: Trilogy | Assessment resources](#) (past papers with mark schemes)

### **Year 11 – Recommended apps**

- CGP revision
- Quizlet (great flashcards)
- Anki (great flashcards)
- Bitesize
- AQA GCSE Science
- Physics toolbox suite

### **Year 11 – Recommended You tube channels**

[Freesciencelessons - YouTube](#)

[Science and Maths by Primrose Kitten - YouTube](#) (has a video for topics or papers)

[Cognito - YouTube](#)
