3<sup>rd</sup> March 2023

Dear Parent/Guardian,

As we are now in the preparation stage for the 2023-25 Key Stage 4 curriculum, I would like to invite you to attend a presentation at the academy on Thursday 16<sup>th</sup> March 2023 from 5.30 pm until 7.30 pm, to gain a further understanding of the process.

It is essential that in order to support the progress of your child and eventual outcomes in Year 11, that you are as well-informed as possible. This began with the recent reports and parents' evening, where you were able to have discussions with your child's teachers, which will also support the conversations to be had when considering the courses to be studied over the next two years.

The initial presentation will be from myself, where I will clarify how the process works. This includes the principle of expressing an interest in a subject, how the online portal is used and what each of the subsequent stages and deadlines are.

In addition, there will be representatives from the different subject areas who will be able to provide further information about the courses, including access to the specifications, resources and progression. We are also intending to have the local colleges represented.

In order to help us plan for the evening, can you please complete the online form by following the link below. Even if you are unable to attend, it would be appreciated if you would still complete it.

<https://forms.office.com/e/khcYU6qDfZ>

A copy of this letter is available on the academy website.

We very much look forward to welcoming you back to the academy on the day and take the next step in an exciting process as your child looks to their future.

Yours sincerely,

Mr Featherstone  
Deputy Headteacher
