2nd October 2023

Dear Parent/Guardian,

As you will know Year 11 is a really important academic year for your child in which they will be undertaking a series of exams in summer 2024. Alongside this, your child is required to decide upon a post 16 destination of study: this could include college or a work-based apprenticeship.

It is essential that your child is able to make an informed decision and chooses the correct destination for them based on areas of study, location and the pastoral support that is available.

Detailed below are the upcoming 'Open Events' for post 16 providers in our local area. The websites are also detailed as some do require pre-booking to ensure a place.
