Dear Parent/Guardian,

The relationship between home and school is vital in supporting young people in their education.

We are constantly trying to improve the education that we offer the pupils of our academy and are now at a stage in the academic year where we need you to tell us how well you think we are doing and how we can improve the things that are important to you. Therefore, may I ask for your help in improving Winterton Community Academy in order to benefit your child.

Please spare 10 minutes to complete a questionnaire by going to <https://survey.gla-assessment.co.uk/s/HH286K/> and logging on using the password provided below.

Your password is: WCA99501Pa

The password is case sensitive.

By completing the questionnaire, you will be telling us how you think we should be spending our time and resources, to make our school the best that it can be for your child.

Each completed questionnaire is vital in finding out what parents/carers think. The more responses we receive, the greater the validity of the results, meaning we can prioritise and focus on the appropriate actions. If there is a limited response, then it can mean we are less informed.

Your answers will be treated in the strictest confidence and will make a difference to how we run the academy and plan for the future.

The deadline is **Friday 24th November 2023**.

With thanks in anticipation of your help.

Yours sincerely,

Mr Featherstone
Deputy Headteacher
