4th December 2023

Dear Parent / Guardian,

PE LESSONS AND PE KIT 2023

As we progress through the autumn term the colder weather is arriving, please note on days where the weather is drizzling / lightly raining we will still go outside for PE if it is an outdoor lesson. In extreme weather conditions (very heavy rain, frozen ground) students will work indoors to complete their PE lesson.

Students may wish to bring their warmer items of clothing for PE lessons. Enclosed is a leaflet detailing the compulsory and optional items of PE Kit, along with several suggestions where base layers can be purchased. This should help to ensure that your child has several clothing options for outdoor PE lessons, and by arriving to every lesson with kit, always has dry clothes to change into after the lesson. Please may I also stress the importance of students bringing their maroon PE socks to the lesson. This ensures that they have dry socks to put on after the lesson and do not spend the day in wet socks which would be uncomfortable and potentially lead to blisters or other conditions.

PE Kit expectations:

Students are required to bring full P.E. kit to all lessons. If a student is injured or unable to take part they must still bring full kit, and a note excusing them from the lesson should be provided. This ensures students keep the continuity of bringing their P.E. kit to lessons. It also ensures they can still take part in the lesson as an umpire, referee or coach but not a performer.

If a student forgets their P.E. kit the procedure is as follows:

- 1st time student forgets kit - Text message home. Student borrows school kit.
- 2nd time student forgets kit - Text message home. Student borrows school kit.
- 3rd time student forgets kit - As above but the student also receives a lunchtime detention for the next day.

If a student refuses to borrow kit the school behaviour policy will be applied as this is not meeting the school ethos of respect.

All spare kit issued will be washed after the lesson in non-bio wash powder. We do not use fabric softener.

If you have any questions please do not hesitate to contact me at Irvin.p@wintertonca.com

Thank you in advance for your support and cooperation on this matter.

Yours sincerely,

Mrs Irvin
Head of P.E.
