Dear Parent/Guardian,

I hope this communication finds you and yours well.

It has clearly been a challenging year for all, particularly for our Year 11 students with the uncertainty over exams, teacher assessed grades and end of school arrangements.

We are very conscious of the impact of the pandemic on our school community and the sense of uncertainty that still exists for many. Therefore, I am writing to provide you with some clarity around key dates for Year 11 students over the coming term. Clearly, some of our plans may be impacted by ever-changing government guidance. If this is the case, we will keep you informed as ever.

Please see below a brief outline of key dates and events. More detailed communications will follow after the Easter break for each of the activities detailed.

Friday 28th May

This will be the last timetabled day in school and involve students finalising work and providing an evidence base for their Teacher Assessed Grades (TAGs).

Thank you for your continued patience and support in what are ever-changing and challenging circumstances.

I hope you and your family have a relaxing and enjoyable Easter break.

Yours sincerely,
